SAN JOSE BLACK HISTORY MUSEUM

SILICON VALLEY

To: Future Supporter,

We need your support to establish the San Jose Black History Museum – Silicon Valley (SJBHM/SV).

There is a dream of creating a museum to honor the contribution of the African American in the Silicon Valley and the United State of American. The African American want to share their story, their journey in America, their history. The San Jose Black History Museum – Silicon Valley will bring that dream forward. If the African American doesn't tell their story of life in this Silicon Valley, who will? If the African American doesn't tell their story of life in America who will?

We are reaching out to you to support this dream. The African American is an intergraded part of the fiber, soil and the culture of the Silicon Valley. The Black Pioneers of the Silicon Valley left footprints in technology, the community and in city government. The Museum will be (a one-of-a kind educational institution for use by our culturally-diverse community) would welcome all ethnicities. It will house six permanent displays which would take people on a journey through history from Africa and the plight of Africans, to the United States and The Americas.

The theme for this journey is "Sankofa!" Sankofa, a Ghanaian word that means respecting tradition "looking back, while moving forward, is the perfect example of the bridge that African Americans have crossed" "remembering the past, yet not living in it, while teaching and reaching for ever-brighter future".

Three of the oldest non-profit organizations, Joyner/Payne Youth Services Agency, Inc., Silicon Valley Black Chamber of Commerce, Inc. and African American Community Service Agency, Inc. have joined forces in a collaborative effort to establish the San Jose Black History Museum – Silicon Valley in San Jose by the year 2020.

You can be part of history, you can make a different, you can be a change agent for our community. Your support of establishing the San Jose Black History Museum – Silicon Valley will help the honoring the Black Pioneers of the Silicon Valley. One of the six exhibits at the museum will be the **Black Legends Hall of Fame - Silicon Valley**. Where the history and accomplishment of these black pioneers will be on display to educate the African American youth and others on the contribution of the African American in the Silicon Valley.

One of our fundraising activity is **the "Black Legend Awards"**. This is a ceremony where selected black pioneers are honored by being inducted into the Black Legends Hall of Fame. This is a outstanding event were the entire community is invited to share in the acknowledgement and induction Ceremony. The first Black Legend Awards Ceremony was held at the San Jose Convention in 2015. The second annual will be held on Saturday, February 25, 2017, during Black History Month. The proceeds raised will go toward the establishment of the San Jose Black History Museum - Silicon Valley.

Our overall goal is to raise \$5,000,000 by the year 2020. For the 2017 fundraising campaign our objective is to raise \$150,000 to develop to create the infrastructure for the museum. You can help us to reach this objective by becoming a "Friend of The Museum" sponsor. We have several different sponsorship packages for you to choose from. Please review the sponsorship opportunities and make your selection.

One of the foundation brick of the museum is to educate youth on the accomplishment of the African American. Please consider being a **"Millennial Partner"**. With your sponsorship, we can bring college and high school students to the Black Legend Awards. They can meet these outstanding African American in person. They can ask questions; they can learn directly. They can listen to the story of the past as they move forward into the future.

Thanks for your support
