BLACK LEGEND AWARDS

SILICON VALLEY

To: Future Supporter,

We need your support to establish the San Jose Black History Museum – Silicon Valley (SJBHM/SV).

There is a dream of creating a museum to honor the contribution of the African American in the Silicon Valley and the United State of American. The African American want to share their story, their journey in America, their history. The San Jose Black History Museum – Silicon Valley will bring that dream forward. If the African American doesn't tell their story of life in this Silicon Valley, who will? If the African American doesn't tell their story of life in America who will?

We are reaching out to you to support this dream. The African American is an intergraded part of the fiber, soil and the culture of the Silicon Valley. The Black Pioneers of the Silicon Valley left footprints in technology, the community and in city government. The Museum will be (a one-of-a kind educational institution for use by our culturally-diverse community) would welcome all ethnicities. It will house six permanent displays which would take people on a journey through history from Africa and the plight of Africans, to the United States and The Americas.

The theme for this journey is "Sankofa!" Sankofa, a Ghanaian word that means respecting tradition "looking back, while moving forward, is the perfect example of the bridge that African Americans have crossed" "remembering the past, yet not living in it, while teaching and reaching for ever-brighter future".

Three of the oldest non-profit organizations, Joyner/Payne Youth Services Agency, Inc., Silicon Valley Black Chamber of Commerce, Inc. and African American Community Service Agency, Inc. have joined forces in a collaborative effort to establish the San Jose Black History Museum – Silicon Valley in San Jose by the year 2020.

You can be part of history, you can make a different, you can be a change agent for our community. Your support of establishing the San Jose Black History Museum – Silicon Valley will help the honoring of the Black Pioneers of the Silicon Valley. One of the six exhibits at the museum will be the **Black Legends Hall of Fame - Silicon Valley**. Where the history and accomplishment of these black pioneers will be on display to educate the African American youth and others on the contribution of the African American in the Silicon Valley.

One of our activity to support **the "Black Legend Awards"**. Is the publishing of the Souvenir Booklet. The Black Legend Awards – Silicon Valley Souvenir booklet will have a brief history of all Black Pioneers nominated for induction into the Black Legends Hall of Fame Silicon Valley. The Souvenir Booklet is being consider a collector item. Last year we had to order a second printing to support the demand.

The Souvenir Booklet is a great opportunity for you to share information about your company, your organization, your support of the creation of the San Jose Black History Museum Silicon Valley and the Black Legend Awards and the history of the African American in the Silicon Valley. It's a great opportunity to reach out the community and the next generation. The second annual Black Legend Awards Silicon Valley will be held on Saturday, February 25, 2017, during Black History Month.

One of the foundation brick of the museum is to educate youth on the accomplishment of the African American. Please consider being a Souvenir Booklet sponsor. We will distribute the Souvenir Booklet at the Black Legend Awards Ceremony and provide copies to educators too continue the learning experience.

Thanks for your support
